KAMENJAK

Marine biology workshops

Would you like to take part in a great summer adventure and explore the undersea world of Cape Kamenjak? Join the course, grab your mask and dive in. We will provide you with a theoretical and practical experience that addresses a wide range of marine biology topics.

Highlights:

The Cape's hidden biodiversity

“Do you know...fishes”

Posidonia – the underwater forests

Symbiosis

If you

- are between 10 and 14 years old, but for adults we also have special groups
- possess your own basic snorkeling kit (includes mask, snorkel and fins)
- and bring a hat, a lot of sun cream and water to drink

The workshops will take place every Monday, Wednesday and Friday from 9 a.m. until 11.30 a.m. and will be given in Croatian, Italian or English language, depending upon the group.

Cost: 50 kn kids under 18 years, 70 kn adults

For further information and registration, please contact us on the telephone number (052) 575 283 or visit us in the educational centre, House of Nature Kamenjak in Premantua. We are situated in the centre of the village, near the church tower.
